SEASON 1929

Original Varieties of the

Metzner Floral Company

Mountain View, California

Announcement

For the 1929 Season, we planned to make some material changes in connection with our business and to issue a new and improved catalogue. By reason of illness the Season is too far advanced to do so, hence we have decided to make a special and radical reduction in price to our customers for 1929.

Owing to very limited stock on hand the following varieties are withdrawn: Artist, Florence Young, Morena, Oriental Beauty and Yellow Prize.

Every Gladiolus offered in this price list is an original production of the Metzner Floral Company, Mountain View, California. Every variety is of the Standard Type only; no Primulinus hybrids. Some growers list Primulinus types under similar names, the varieties differ.

We prepay all shipping charges and insure postal packages on orders amounting to \$2.00 and over.

Terms: Cash with order.

Bulbs shipped after frost danger; say April 1st, unless otherwise instructed.

Orders under \$1.00 in value, add 10 cents for postage.
